Example Sora Prompts

PROMPT 1 — HISTORY AS A TRAILERPOV selfie shot from extended arm inside a time-traveling DeLorean car parked in a quiet suburban driveway at night, dashboard glowing neon, engine idling.Voiceover (stoner kid): “Okay hear me out… why does history feel like a movie trailer? Like—cool moments, epic music, zero context. Nobody ever shows you what got cut.”CUT TO: lightning cracks, clocks spin backward across the windshield, pages of textbooks shred into light.Narration: “Time Machine GPT by AIwebtools.ai doesn’t rewrite history. It lets you see what didn’t make the edit.”

PROMPT 2 — ROME: THE EDIT ROOMExterior tracking shot as the DeLorean slides through ancient Rome, stopping beside scribes copying scrolls.Voiceover: “Bro… why are there, like, five dudes deciding what everyone remembers?”CUT TO: scroll margins being crossed out and rewritten.Narration: “Empires don’t just conquer land. They curate stories.”

PROMPT 3 — ARCHIVES & LOCKSSlow dolly shot of the DeLorean beneath massive sealed archives.Voiceover: “Okay but like… why does history have restricted access?”Narration: “When power survives centuries, it learns to store itself quietly.”

PROMPT 4 — JURASSIC RESETHandheld chaos in a Jurassic jungle, DeLorean skidding into frame.Voiceover: “WHY does this feel like a system reset?!”Narration: “Extinction events don’t just erase species. They erase context.”

PROMPT 5 — PYRAMIDS & MISSING STEPSCrane shot over pyramids mid-construction, DeLorean nearby.Voiceover: “Why does this look way more advanced than the chapter?”Narration: “Some achievements don’t fit simple timelines.”

PROMPT 6 — MEDIEVAL FEAR FILTERStatic shot of medieval square, DeLorean parked.Voiceover: “Why do smart people in history always get labeled dangerous?”Narration: “Fear is one of history’s strongest editors.”

PROMPT 7 — ARMOR TO SUITSMatch cut from soldiers to executives, DeLorean rolling through.Voiceover: “Okay but… same energy, right?”Narration: “Power doesn’t disappear. It updates.”

PROMPT 8 — THE SETNight shot, DeLorean headlights reveal a staged historical set.Voiceover: “Why does history have lighting crews?”Narration: “Presentation shapes belief.”

PROMPT 9 — THE PATTERNStormy hilltop, DeLorean charging with lightning.Voiceover: “I don’t think they lied… I think they simplified.”Narration: “Patterns emerge when you stop looking at chapters.”

PROMPT 10 — THE PROMISEHero shot as DeLorean launches into a vortex.Voiceover: “Time Machine GPT by AIwebtools.ai lets you explore history beyond headlines, beyond edits, beyond textbooks — with context and curiosity intact.”On-screen text: AIwebtools.ai — Remove the Veil.
